

BUILD A NUMBER!

Building 3 Digit Numbers

It's time to play Build a Number! The player who makes the biggest number wins!

1. Cut out the numbers at the bottom of the page and put them in a container.
 2. Without looking, pull out a number from the container.
Each player writes the number in the spaces for Round 1.
3. Pull out another number and write the number in another space for Round 1.
4. Pull the third and final number and write it in the last space for Round 1.
5. Compare your numbers. Circle the biggest number for Round 1.
Now continue playing for Rounds 2 – 5.
